## **DDS 301: STATE AND DEVELOPMENT**

### **Answer THREE Questions**

1. Analyze Gunnar Myrdal's perception of the state in developing countries.
2. Discuss the common characteristics of African states.
3. With reference to Democratic Republic of Congo under Mobutu, explain the assertion that all states are predatory but the degree of the predation is what varies.
4. Explain the relationship between the state and the civil society in Kenya.
5. Compare and contrast Marx's and Weber's tenets of the state.
