DDS 308: DEVELOPMENT ISSUES IN THE THIRD WORLD

Instruction: Answer THREE questions

1. Citing relevant examples, discuss the effect of poor leadership on the African economies.
2. Discuss the role played by the public sector in development in Kenya.
3. In your opinion, explain why the Third World economies are trapped in a vicious cycle of poverty.
4. Discuss the consequences of ethnicity in development.
5. Examine options for revamping the performance of African economies
