DDS 312: POPULATION AND DEVELOPMENT

Instruction: Answer three questions

1. Account for the rapid population growth in Africa since the Second World War.
2. Critique the Malthusian Population Trap model.
3. Discuss the consequences of the contemporary population trends in China.
4. Population is not a serious problem for developing economies. Discuss this assertion.
5. Critically analyze the population control mechanisms in Kenya as applied by the National Population Council in Kenya.
