HRD 103: DEVELOPMENT CONCEPTS AND APPLICATIONS

INSTRUCTIONS TO CANDIDATES

Section A is compulsory.

Answer TWO questions in section B

SECTION A: COMPULSORY

1. Kenya's development problems are greatly due to internal issues rather than external. Discuss the validity of this assertion suggesting measures to assuage the situation. (20 marks)
2. Transitional societies have been over relying on external financial resources to boost their economies. Citing relevant illustrations, discuss the negative repercussions of such overreliance. (20 marks)

SECTION B: ANSWER TWO QUESTIONS

3. Most of the less developed countries are characterized by high population growth rates. Discuss the causes and impacts of high population growth rates in the less developed countries. (15 marks)
4. Discuss Kenya's development planning as reflected in the devolved system of governance. Will it be a panacea to Kenya's development problems? (15 marks)
5. The Africa's development objective number three was to forge economic integrations. With illustrations, to what extent has the attainment of this objective led to solving development problems in Africa? (15 marks)
6. The over reliance on primary production is said to be a symptom of poverty. Explain the relevance of this statement citing examples from Kenya and suggest measures to be under taken by the Kenyan government to improve this sector of the economy. (15 marks)
